Scheduling, No-Show & Cancellation Policy

We value every patient's time and strive to provide timely access to care for everyone in our community. When appointments are missed without notice, it prevents us from offering those appointment times to another patient who may be waiting to be seen. Your communication helps us maintain an efficient schedule and continue to provide the highest level of care to all our patients. We greatly appreciate your understanding and cooperation.

We kindly request at least **24 hours'** notice if you need to cancel or reschedule your appointment.

We understand that emergencies and unexpected situations can arise. Patients who are unable to provide 24 hours' notice are encouraged to contact us as soon as possible.

A no-show fee of $30 will be charged for appointments that are missed **without any communication or notification** from the patient prior to the scheduled appointment time.

Billing Information

We at The Therapy Institute strive to make the billing of your medical insurance as easy as possible. As a service to you, the patient, we bill your insurance provider. We attempt to determine via your insurance provider whether physical therapy is a covered benefit under your active policy, in addition to what your financial responsibility is if any. This, however, is not a guarantee of payment on their behalf. ***We strongly recommend that you, the patient, verify your benefits independently.***

To the best of our ability the information gathered is accurate. However, your medical insurance is a contract between you, the patient, and your insurance provider. The Therapy Institute is not a party to that contract, and you, the patient, are ultimately responsible for payment in full of any balance due.

Payment of all co-pays or co-insurance charges are expected on a weekly basis. Monies due are payable by cash, check, credit card, or valid HSA card.

*The Therapy Institute bills according to current Medicare guidelines. Any co-pays, co-insurance, or deductible due will be submitted to any active secondary insurance, where applicable, or billed to the patient if there is no secondary insurance.

Thank you
